Concession Business

Operates and manages F&B brands in multi-use facilities such as airports, stations, hospitals, etc.

Lotte GRS's concession business began in 2016. Based on our extensive experience in the foodservice industry, we have secured business rights in Korea's major airports(Incheon, Gimpo, Gimhae, and Jeju), SRT stations, hospitals, and leisure facilities. We are planning to operate the "Hanam Dream Service Area", which is scheduled for completion in 2028.

LOTTE GRS aims to position itself as a foodservice franchise platform company that adds value to customers' everyday lives by incubating new brands through its concession business.
